Subject: Revision of subsidy pattern for cultivation of Strawberry crops under Horticulture Mission for North East and Himalayan States (HMNEH)-reg.

Sir,

As per the existing guidelines of Horticulture Mission for North East and Himalayan States (HMNEH), under establishment of new gardens, subsidy for Strawberry is being provided in 3 installments of 60:20:20 subject to survival rate of 75% in 2nd year and 90% in 3rd year. In line with the amended guidelines of National Horticulture Mission in this regard, it has been decided with the approval of competent authority to disburse the subsidy for Strawberry in single installment instead of 3 installments under HMNEH also from the current financial year.
